¹ Students should meet with the psychology adviser to determine approved course listings for psychology electives and other electives. It is recommended that students take foundational courses (those listed in Groups A and B) in their junior year and advanced electives (those in Group C) in their senior year.

2 Psychology (PSYC)

- ² Students are required to complete a two-course history sequence *or* a two-course literature sequence. They are also required to complete at least one Core History *or* one Core Literature course in the area not selected as the sequence.
- ³ Work with your advisor to select appropriate courses from Groups A, B, and C or other courses as approved by your advisor.
